DGS Order 31 of 2020
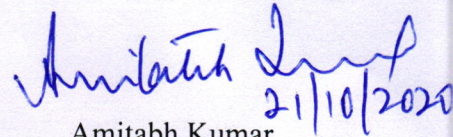

<u>File No. 20-16/8/2020-TRG - DGS</u>   <u>Dated: 21.10.2020</u>

Sub: Addendum No. 01 to DGS Order 27 of 2020 dated 01.10.2020.

1.   Whereas the Directorate has issued elaborate instructions and SOP for updation of photograph and signature of the candidates for facial recognition by E-Learning, CAS and Exit Examination.

2.   Whereas the Directorate has issued DGS Order 27 of 2020 dated 01.10.2020 putting responsibility on MTI to upload correct data of candidates at the time of uploading of batch detail on e-governance system. Further an additional facility has been provided to candidates to verify his/her photograph with the photograph in seafarer profile using URL.

3.   The Directorate has recently assessed the load of face recognition application on the server and procured new server for facial recognition software and the data has been recently migrated to this new server. Due to this, the earlier URL mentioned at para 4.1 of the DGS Order 27 of 2020 has been replaced by a new URL: https://220.156.188.229/

4.   Further, instructions for using the Face Web API for authentication is enclosed as **Annexure-I.**
